

# REFUGEE CAMPUS

AUGUST 30 -  
SEPTEMBER 3, 2010

What will YOU do to **STAND** up against **GENOCIDE** and refugee crises **WORLDWIDE**, even those right next door?

STAND students at Queens College are teaming up with professors and community leaders from **August 30th - September 3rd** to form a **simulated REFUGEE CAMPUS** on the **QC quad!**

**JOIN US** as we express our **SOLIDARITY** with those being victimized by **GENOCIDE** and **OPPRESSION** across the World!

Sleeping on the quad in makeshift tents for four nights, we hope to generate consciousness and peaceful action with refugees in Sudan, the DRC, Western Asia, Haiti, the United States, and environmental refugees throughout the globe.

**To JOIN US**, and for more information about how YOU can **GET INVOLVED** in YOUR WORLD, email [joshstandqc@gmail.com](mailto:joshstandqc@gmail.com) and/or join our Facebook group, **"STAND at Queens College"**!
